

2025 APPI Tribute to Volunteerism

Marilyn Hooper, APPI Public Member

Marilyn Hooper was appointed as APPI's Public Member on Council in 2017, and continues to serve in that capacity, with a profound commitment to the responsibility of representing the public with fairness, transparency, and pride.

Marilyn champions APPI, professional planners and the planning profession 24 hours a day. She is always willing to lend a helping hand with the little details, but never declines the opportunity to roll her sleeves and do the heavy lifting when required.

Marilyn holds a number of other volunteer positions in support of her community, including but not limited to Public Member of the Association of Alberta Forest Management Professionals and Director of the Homestead Investment Co-operative. She has long been a champion of democracy and is committed to volunteering in support of the electoral process in municipal, provincial and federal elections.

Marilyn's volunteerism is a testament to the idea that leadership is about service, and that true change happens when we listen deeply and act with care.
