

APPI EXCEPTIONAL MENTOR AWARD

LESLEY KALMAKOFF, RPP

Recognizing above and beyond support of Candidate members in their professional planning practice and competence.

The second recipient of the Exceptional Mentor Award is Lesley Kalmakoff. Lesley was nominated for this award by Simon Cheng, with the City of Calgary.

Lesley's professional conduct and practice enhance the reputation of the Institute and its members. In particular her dedication and commitment to providing mentoring assistance to less experienced members of the Institute and assisting Candidate members in completing the RPP certification process is exemplary. She is respectful of other members in their professional capacity and, when evaluating the work of others, always does so with objectivity and fairness.

Lesley is always open to sharing with her mentees, information about her own career path and professional experiences. The guidance, motivation, emotional support, and role modeling that she provides is greatly appreciated by her colleagues.

On behalf of the Institute and Membership we congratulate Lesley Kalmakoff as a recipient of the 2021 Exceptional Mentor Award!
