APPI 2027 Conference Survey

Dear APPI Members,

With planning for the 2026 APPI Conference in Calgary, well underway, the Institute is exploring alternative location options for the 2027 APPI Conference.

APPI recognizes that in addition to an individual's interest in attending a conference at a specific location, there are financial and employer policies that may determine attendance. We invite you to participate in a brief survey that will directly inform the Council's decision on where to host in 2027, to best support your networking, learning, and professional development needs.

The survey is concise, requiring only a few minutes of your time, and focuses on your preferences for location, timing, and regional focus.

Thank you for helping shape the future of APPI events.

Sincerely,

APPI Council and Administration
