## **APPI E News**

### **2026 Member Renewals**

Member renewals were issued via email starting November 13th. If you have not received your renewal link via email, please check your junk mail first. Please contact Michelle Collins at [office@albertaplanners.com](mailto:office@albertaplanners.com):

- If you still cannot locate your renewal link, OR
- If you require an invoice for non-credit card payments, OR
- If you would like to make arrangements for an Electronic Funds Transfer in lieu of mailing a cheque.

Please read your renewal email carefully. Each member's renewal link has been sent to their preferred email as per their member record, and only that member can open the renewal link. Every member is individually required to click on the renewal link and respond to the renewal questions. Upon completion of that process, a personalized invoice will be generated and the link to that invoice can then be forwarded to a second party for payment, where appropriate.

### **Continuous Professional Learning (CPL) Reporting Deadline December 31, 2025**

All Regulated Members (RPP or Candidate) with Practicing, Non-Practicing or Non-Resident status, who have not been officially granted a 2025 CPL reporting exemption, must ensure that they have acquired and reported their 2025 CPL by the deadline of December 31, 2025.
