Plan Canada Winter 2025

The theme for the next issue of Plan Canada is Planning for Disruption: Resilience in an Uncertain Future. Canadians are facing an evolving array of gradual and sudden economic, environmental, and social challenges, with disproportionate consequences.

Planners are in positions to identify scenarios, connect across disciplines, and provide leadership on risk mitigation and disaster resiliency, and Plan Canada invites you to share your articles on how planners are supporting communities to prepare for, respond to, and adapt to complex challenges.

For more information including a the of specific article topics and the submission deadline, visit [Winter 2025 – Canadian Institute of Planners \(CIP\)](#).

2025 CIP Member Survey

This year's survey is a quick check-in to see how you feel about CIP's services and programs that help support your career.

The deadline to complete the survey is November 14, 11:59 p.m. PT.
