

APPI OUTSTANDING CONTRIBUTION TO THE PROFESSION AWARD
Scott Pragnell, RPP

This year APPI is pleased to announce that the recipient of the Outstanding Contribution to the Profession Award is Scott Pragnell!

After graduating with a Bachelor of Environmental Studies in Planning from the University of Ottawa, Scott worked at the National Capital Commission. In 1980 he relocated to Edmonton where he began a long career with the City of Edmonton which included 30 years in a variety of planning realms including policy, urban design plans, suburban and mature neighbourhood planning, rezoning, subdivision and drafting zoning regulations. Scott left his Senior Planner position with the City's Sustainable Development Department in 2015 to pursue a private consulting.

Scott has mentored many planners both officially, via the Candidate member RPP certification process, and unofficially. He always has time to discuss the planning profession – where it is and where it might be going.

Throughout his career, in addition to being devoutly committed to his family and pursuing advanced studies and teaching at the University of Alberta in Planning and Public Administration, Scott always found the time to volunteer.

Scott has dedicated countless hours of his time volunteering for the Institute and profession in the following capacities:

APPI Council
APPI Treasurer
APPI Registration Committee Member and Chair
APPI Registration Committee Member and Chair
APPI Representative on the Professional Standards Committee
Chair and Deputy Chair of the Professional Standards Committee
Professional Standards Committee Competency Standards Sub-Committee

As an experienced practitioner and leader, Scott Pragnell continues to live and share his passion and commitment to the planning profession and APPI.

APPI honours Scott Pragnell as the recipient of the Outstanding Contribution to the Profession Award!
