## Senior Planner - Regional

Fulltime, Permanent

In Medicine Hat you'll find a place that's reinvented itself as an ideal, modern city that proudly honours its historic past. And here at the City of Medicine Hat, you'll have a chance to build a challenging and rewarding career serving your neighbours and your community.

In this role reporting to the Manager of Planning Services, the Regional Senior Planner will be responsible for regional planning work, including maintaining, interpreting, and providing professional support to the Intermunicipal Committee on a broad range of planning, procedural and statutory matters. The Senior Planner works closely with our regional counterparts as well as internal departments.

### Our ideal candidate

- You will understand, and have experience working with Alberta's planning legislation, as well as municipal and regional planning processes.
- You will have experience leading project teams, be an effective multi-tasker as this environment can have competing priorities.
- You will have strong research, problem-solving and analytical skills.
- You are seeking a challenging and exciting career.
- You are able to effectively work with various stakeholders, from City Administration, City Council to various committees and boards.

### Qualifications

- Successful completion of a bachelor's degree in the Planning field, or equivalent, from a recognized post-secondary institution.
- Eligible for membership with the Canadian Institute of Planners.
- Six (6) years of professional experience, including three (3) years in a regional planning role.
- Masters' degree in Planning or related field, is preferred.
- An equivalent combination of management approved education and experience may be considered.

We thank all applicants; however only those selected for an interview will be contacted.
