

PLANNER

Located a short 45 minute drive west of London, the County of Lambton is situated on along the scenic St. Clair River and Lake Huron, and across the border from Michigan.

The County of Lambton has 11 member municipalities of a variety of sizes, each with their own unique mix of housing and amenities. The City of Sarnia is the largest municipality with over 74,000 residents and having many commercial services and the regional hospital operated by Blue Water Health. This area remains one of the few affordable places to live in Ontario!

We are looking for planners to join our team – we are seeing growth and major investment across the communities we serve! Now is a time that you can help our member municipalities see their visions for growth realized and have a hand in welcoming new business and investment.

The County has a wide array of natural recreation resources along our beautiful coastlines and beaches. Whether you want to enjoy local wine/beer in Plympton-Wyoming or stretch out on Grand Bend Beach in Lambton Shores or stroll the shoreline in St. Clair, opportunities to play abound here.

The County's unique location put you less than an hour drive from London, Windsor, or Detroit and just over a two-hour drive to Toronto or Hamilton. You can drive or enjoy a train ride with Via Rail.

If the chance to gain experience as a professional planner and live in a place where you can work, play, and build a life is of interest to you – come join our team!

Position Summary - Provide professional planning services and advice to municipalities and the public to guide them through the required processes under the Planning Act. Develop policies and implementation tools for guiding community growth. Provide comments to municipalities on the merits of applications submitted under the Planning Act and defend County and Provincial interests as well as the general public good.

Please visit our online Job Board at www.lambtononline.ca/jobs and search for posting J1022-1313 to apply online. Job postings are also linked from the County's Facebook page, www.facebook.com/CountyofLambton.

Recent and soon to graduate students are encouraged to apply
