

Senior Planner – Land Development

Calgary, AB

About the Opportunity

We are looking for a senior planner to join our land development practice based out of our Calgary office. Are you looking to make a move to an organization that supports growth and development, flexibility and mentorship opportunities? Let's connect!

This is an exceptional opportunity to join a highly collaborative environment working alongside our team of planning, engineering and community consultants. You will be leading land development projects and building client relationships in support of communities.

- Leading teams to deliver on planning approvals on large-scale land development projects through managing project budgets, schedules and resources.
- Cultivating and nurturing client relationships to build a strong presence in our local land development market.
- Navigating and connecting with clients, municipalities, sub consultants and other stakeholders
- Communicating through a variety of professional mediums including technical, policy writing, negotiation, and public engagement

About You

We are in search of someone who wants to grow and use their deep expertise and experience to support our practice to better serve clients and the people who live in these communities. You will get to contribute by working alongside clients, building relationships, delivering on high value projects and supporting the growth of our team members. Our ideal candidate will be a graduate of a relevant program with 8+ years of experience with a planning background in land development and is registered in good standing with APPI/ CIP.

The following skills, strengths and interests needed:

- Relationships matter – you understand what it takes to cultivate relationships to deliver on projects with your team and come alongside clients to support their vision
- Local context – years of experience in our market in Alberta has left you with a thorough understanding of planning principles, legislation, regulations and industry operations.

- Communication – your background demonstrates your skills to connect and communicate with a range of people and through a variety of channels and mediums.
- Listening – active listening is second nature and you know being present and listening to clients to understand their needs is integral to being in service of others, providing exceptional client service and demonstrating care.
- Invested in community – you are motivated to be invested in our community, actively contributing and helping others find their highest potential here through coaching and mentoring team members.

About Us

At Urban Systems:

- > We are community consultants, brought together by our shared values, and a deep commitment to building vibrant communities.
- > We're local, connected and invested in our communities.
- > We're built on relationships.
- > Curiosity and the pursuit of vibrancy inspires us.
- > We care, and it's reflected in the work we do and in our culture.

Our Commitment to You

Are you looking for opportunities to lead challenging initiatives in your community? Join a diverse and supportive group of professionals at Urban Systems and take part in impactful work building vibrant communities across Canada. Here's what you can expect as a team member at Urban Systems:

- **Competitive Compensation.** Your skills and contributions are valued. You'll receive competitive compensation, extended health, dental, vision care coverage, and more!
- **Paid Time Off.** We encourage all team members to take time off to recharge and spend time with loved ones. Enjoy 3 weeks of paid vacation to start, in addition to statutory days off throughout the year.
- **Learn and grow.** Your professional growth & development is supported here. You are encouraged to take initiative and shape your career through coaching, in-house learning, technical courses, and more.
- **Work with Inter-Disciplinary Teams.** Amazing things happen when you mix creativity, curiosity, teamwork, and a strong desire to collaborate and innovate. You will be part of diverse, inter-disciplinary teams to deliver important work for our clients and their communities.

- **Flexible Hours & Work Environment.** You have a life outside of work. We offer flexibility in your work schedule and work environment to help you do your best work and meet your commitments.
- **Saving for the Future.** To help you achieve your long-term retirement goals, we offer a Long-Term Matching Program that matches your contributions to an RRSP or TSFA.
- **Support through Transitions.** You will be supported through life's moments and transitions, big or small, including generous top-up for parental leave.
- **Create Lasting Community Impact.** *98% of Urban Systems employees believe that the work we do is important. Join a team of like-minded leaders and work together to bring impactful community projects to life!*

How to Apply
