APPI annually recognizes and awards the achievements of students enrolled in post-secondary institutions with a basis on creativity, expression of interest in a career in planning, financial need and a commitment to excellence in planning.

The APPI Student Education Scholarships provide monetary assistance to students for use with tuition, research, books, or other education related expenses.

The APPI Student Conference Award provides monetary assistance to the student expenses related to attendance and participation at the approved conference.

All award winners will be recognized at the APPI Volunteer Celebration on April 29, 2016 in Edmonton.
