

## Indigenous Awareness & Engagement for Planners

We are pleased to welcome Mr. Aaron Aubin, Principal and Indigenous Engagement Specialist at Aaron Aubin Consulting Inc., as our guest speaker for the February luncheon.

Over the past few years Canada has made tremendous efforts towards understanding its relationship and responsibilities to Indigenous peoples. Through this lunch presentation you will:

- develop a stronger understanding of Indigenous history;
- understand how the Truth and Reconciliation Commission, and United Nations Declaration Rights of Indigenous Peoples is relevant to your job as a planner;
- learn how some Canadian cities and international companies are taking up the call for reconciliation and working more effectively with Indigenous peoples; and,
- acquire some practical tools and processes for more meaningful Indigenous engagement.
