## Things to do in Canmore!

### Self-guided tours and activities for the APPI Conference

#### Morning Trail Run with Alaric

Join long time Canmore local and Senior Planner for the Town of Canmore for a morning run along scenic trails. Take in the crisp morning mountain air and get your heart pumping before settling in for the day's conference sessions. Runners will meet outside the main doors of the Coast Hotel at 6:30 AM (to be confirmed!) Monday and Tuesday.

#### Self-guided Art Walk

Craving some mellow and inspiring time outside? Check out the art installations around Canmore! Here is a link to the public art map in Canmore <https://canmore.ca/residents/public-art>

All are walkable from the conference venue. And if you are indeed inspired, snap a photo and tag [#meetagain2022](https://twitter.com/meetagain2022) [#appi](https://twitter.com/appi)

#### Larch Island Story Walk

This self guided audio tour (about an hour long) shares the hidden world of Larch Island and was created by the Larch Island Walkers Society, first printed in 1923. The audio tour is available at: <https://youraudiotour.com/tours/1566/> Bear spray is recommended for this walk.
