

Apply now for Beaumont's **Design Review Committee**

Are you passionate about creating a better community through high-quality urban design? The City of Beaumont needs five individuals to serve two-year terms on our Design Review Committee.

We are seeking:

- three members who are design professionals (expertise in the fields of architecture, landscape architecture, urban design, planning, or engineering)
- one member from the local development industry
- one member-at-large who brings some lived experience with accessibility challenges (either personal or professional)

Applications are open from June 23 to August 15.
